

**PLAISIO COMPUTERS S.A.****COOPERATION PLAISIO COMPUTERS & RAINBOW**

Plaisio Computers S.A., the leader in sales of Information Technology and Office Equipment, announced the expansion of its cooperation with RAINBOW S.A., official distributor of Apple in Greece and Cyprus. This refers to a cooperation with the purpose to distribute the laptops and the desktops I-Mac of Apple by Plaisio.

The company Plaisio Computers, with the addition of Apple computers, aims at completing the vast product range of laptops it already distributes to consumers.

From the side of Rainbow S.A., this action is part of its aim to broaden the distribution of its products and to fulfill the high demand of Apple computers, via the multichannel distribution system of Plaisio which refers to consumers as well as professionals.
